Mission Statement

Tallanstown N.S. is a school which strives to provide a well-organised, caring, happy, safe and secure learning environment, where the intellectual, spiritual, physical, moral, wellbeing and cultural needs of our pupils are identified and addressed.

While Tallanstown N.S. is a school with a Catholic ethos, it also gives due recognition to children of all other religious beliefs and none.

We cater for the full development of each unique child by providing a broad, balanced, and relevant curriculum, flexible enough to cater for all the needs of our children, so that they can reach their full potential.

Tallanstown N.S. encourages the involvement of parents through home-school contacts and through their involvement in the development and growth of the Parents' Association.

In line with our school motto "Mol an óige agus tíocfaidh sí" we endeavour to enhance the self-esteem of everyone in the school community, to imbue in the pupil's respect for themselves, for other people and for property and to encourage the development of personal responsibility. We aim to prepare our pupils for their place in a modern multicultural society by actively promoting equality and by celebrating the diversity we have within our school community.

We strive to promote, both individually and collectively, the professional and personal development of teachers through staff development programmes.

We encourage our pupils to have respect for diversity, environmentally awareness and appreciation of our community.
